### Plastic and food exhibition commences

By our correspondent

KARACHI: Sindh Minister for Commerce and Industries Rauf Siddiqui on Tuesday inaugurated the International Plastic and Packaging Industry (IPPI) and International Food and Technology Exhibition (IFTE) at the Karachi Expo Centre which will continue till May 15.

Addressing the ceremony Siddiqui said that the government is keen to speed up industrial growth and is planning policies which would have positive effects on the progress and prosperity of the country.

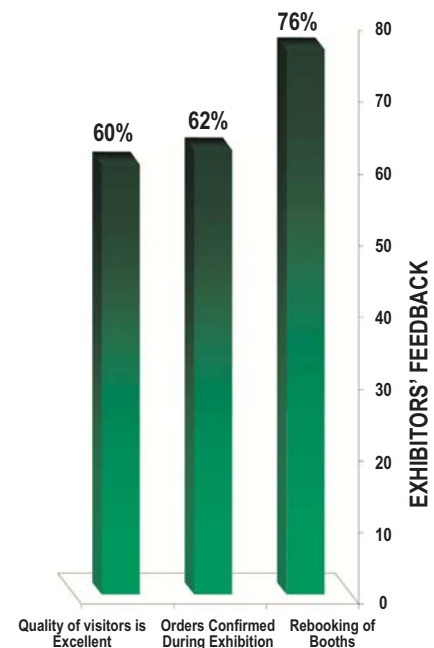

He further added that Sindh reflects the strength and scope of Pakistan's economy and added that the political situation will soon improve and would not affect the nation if corrective actions are taken in time.

He appreciated the efforts of the organisers for the events, which provide local industries a chance to see the modern machinery from all over the world under one roof.

The event sees participation of around 150 companies from 15 countries including China, Germany, India, Indonesia, Italy, Pakistan, Switzerland, Taiwan, UAE and UK, as well as the country pavilion from...
